Fore the Kids Golf Tournament & Annual Meeting for BFC Members will be held on August 17, 2019 at the Canyon Springs Golf Course & Pavilion

Developing Excellence is more than just playing the game

Dear Friends of Buffalos FC,

Buffalos FC is a 501 (c)(3) youth soccer organization, which was formed with the intent to not only be able to train skilled soccer players, but to develop players with a good moral compass, time management skills, and to instill positive qualities such as: good character, discipline, accountability, leadership, & dedication to education. We don't turn kids away for monetary reasons, which is why our Financial Aid Fund is so vital to the success of our operation.

The Fore the Kids Golf Tournament started in 2018; this is our second year hosting the golf tournament, which will be held on **Saturday, August 17 at Canyon Springs Golf Course**, all proceeds from this event supports the Buffalos FC Financial Aid Fund, which directly impacts players and families in need of financial aid.

We would greatly appreciate your support with the event; besides the typical golf sponsorship opportunities, we are also seeking donations to be included in our raffle drawing (gift cards, gift certificates, merchandise or product, we will accept anything you deem appropriate).

New this year, for a small donation of \$50, local businesses can set up a promotion table at the awards dinner. The audience for the awards dinner includes, the golfers, as well as, our BFC membership, since we also conduct our Buffalos FC Annual Meeting at this event. We are estimating 200-300 adults and kids in attendance.

We hope you will consider contributing to this year's event to support Buffalos FC and our youth soccer players. To show our appreciation, we will recognize you through signage at the awards dinner and raffle event and will update you on how your contribution has made a difference to the soccer players of Buffalos FC. Thank you in advance for your consideration.

Please let us know by Tuesday, Aug 6, if you will be contributing to the raffle, and I will make arrangements to stop by and pick it up when it's convenient for you. Thanks again!

Warm Regards,

Director of Marketing, Board Member
